Throw Blanket

Design by  
Mariken Steen-Forgaard

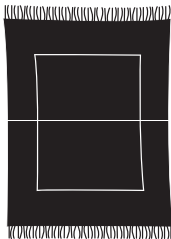

Created with both maximalists and minimalists in mind, the Echo Throw Blanket allows you to match your style to your mood.

Responsibly made from high quality New Zealand wool, this softly woven throw takes its inspiration from the shifting hues that appear where the sky and the sea meet. The reflecting colours allow you to hide or reveal its contrasting yet complimentary shades.

Style alone on a bed or sofa, or alongside our matching Echo Cushion.
