Cushion Cover

Design by
Mariken Steen-Forgaard

Created to complement or contrast depending on your style, the Echo Cushion Cover is as soft to the touch as it is striking to look at.

Taking inspiration from the shifting hues that appear where the sky and the sea meet, the high-quality Merino wool from which this cushion is woven, naturally reflects these fleeting everyday moments in its structure.

This exceptional home accessory add a pop of personality to your bed or sofa whether styled on its own or alongside the matching Echo Throw Blanket.
